ClassMate

New Tablet & PC for Special Education

The Complete Classroom Solution Designed to Engage Children with Special Educational Needs and Early Years’ Pupils.

Everything You Need!
The Inclusive ClassMate Tablet and ClassMate PC come with Windows 10 and our top 50 software titles pre-installed. All with simple switch or touch settings built-in, enabling access for early learners and those with physical difficulties. Ideal as a classroom based resource or for an individual user. The perfect solutions to fulfil all your computing needs.

Ready to use out of the box
The Inclusive ClassMate Tablet and ClassMate PC are ready to go, out of the box with no configuration required. With the ability to install your own software and USB, Micro USB and HDMI ports included for peripheral connection. The Tablet and PC both include Wi-Fi functionality for Internet access and high quality built-in speakers.

Switch Accessible
The Inclusive ClassMate Tablet and ClassMate PC are also available packaged with the iSwitch, a Bluetooth switch enabling wireless access for all your favourite switch accessible games and online games services.
An ideal, affordable technology teaching tool for the special educator. The ClassMate Tablet includes a 10.1" multi-touch LCD display with a 64-Bit Quad-Core Intel® processor and all the great features of Windows 10, USB and HDMI connectivity.

The Inclusive ClassMate Tablet provides independent power, flexibility for positioning, portability and convenient connectivity for your peripherals. Use with individuals as a tablet or notebook. Includes a detachable keyboard dock and trackpad.
