

Thank you for choosing to use our Virtual Mounting Service to create your bespoke mounting solution. It's important that we gather as much information as possible about the environment and requirements in order to ensure we offer an accurate and appropriate solution. We are dependent on your input via the information and pictures you provide. Please complete this form with as much detail as possible and if you have any queries please do not hesitate to contact vms@inclusive.co.uk

WHEELCHAIR

Manufacturer/Model: _____

Does a lap tray get attached to the chair sometimes? Yes No
 (If yes, please include a picture).

Is a device adapter plate present? Yes No

Do you need one? Yes No

DEVICE

iPad users - please specify the model exactly (e.g. "iPad Air 2").
 If unsure, please write the Model No. ("A1XXX" printed on the back of the iPad).
 Do you want the iPad to be mounted within an Otterbox Defender Case?
 (Due to the plethora of different cases, we can't guarantee that all others fit well).

Please include an Otterbox Defender case for my iPad in the solution.

I need to use a different case if possible.
 (please specify brand, model and exact dimensions (Height x Width x Depth):

Mount side (in direction of user):

Right Left Both

Adjustment options:

Screws

Quickshift Levers

Please provide details of any additional mounting requirements (e.g. 2nd wheelchair, floorstand, tabletop) and any other relevant information:

SUPPLYING PHOTOS

Very Important - take pictures of the wheelchair in the listed viewing angles shot from a straight low angle. Please make sure they depict the wheelchair clearly, in proper light conditions and with correct focus. Make sure to include the device at the desired position (It's okay to use an example, like a sheet of paper).

Whole Front

Back and Underneath

Whole Angular

Whole Side

Detail (From side)

Please email this completed form along with six or more pictures (at the specified viewing angles) to vms@inclusive.co.uk
